**Jan des Bouvrie, Monique des Bouvrie : des Bouvrie: Architecture Interieur** before purchasing it in order to gauge whether or not it would be worth my time, and all praised des Bouvrie: Architecture Interieur:

Every once in a while a design firm charts a course that is truly memorable, a direction that turns heads, and makes an impact. Dutch designers and the husband-and-wife team of des Bouvrie are one such iconoclastic force. Their design approach for interiors and exteriors, both residential and commercial, is risk-taking, thought-provoking, and always forward-looking, creating a self-contained universe of modernity where bold and noteworthy art plays a significant role. Now, this stunning volume showcases highlights of their body of work to date. Their style is cerebral, with a sleek appeal that artfully interjects powerful jolts of solid color to create dramatic and original statements. Coolly elegant and refined, their spaces are straightforward with no hint of obfuscation.

About the Author Jan and Monique des Bouvrie run the architecture and design consultancy that bears their name. Renowned for a bold, modern aesthetic, they use distinctive art and daring color to make an impact in both their residential and commercial projects.
