Design Inspiration Vol 1.By PeggyL.Charlotte Moss has the gift of vision, which means she will always have something to impart to us all. This book drew me into it's cozy, aristocratic, without being stuffy, design sensibility. I carry it in my purse when I know I'll have time to trek over to the design district on Melrose. It's a great tool.6 of 8 people found the following review helpful. Design Inspirations, Vol 1By Mr. McgooThis is a brief overview of Design. I found it unsatisfactory. I was expecting a book similar to Charlott Moss' book "Winter Home". Winter Home is a delightful book. Design Inspirations, Vol 1 was not.

The first volume of the Design Inspirations series takes an in-depth look at four exquisite rooms created by Charlotte Moss for four different New York decorator show houses. Drawing on inspiration from history as well as her own travels and favorite people, Moss shares her design philosophy and process from the initial spark of an idea to the final creation of a sophisticated and timeless room. The founder of Charlotte Moss Company and Charlotte Moss Interior Design in New York City, Moss has designed houses throughout the United States and in the Caribbean.
