Brad Mee : Design Is in the Details: Bedrooms before purchasing it in order to gage whether or not it would be worth my time, and all praised Design Is in the Details: Bedrooms:

Decorator Brad Mee now turns to the bedroom. With his creative help, transform yours into a private sanctuary, perfect for rest, work, or play, and filled with uniquely personal details. Look through choices for bedroom surfaces (walls, floors, ceilings, fireplaces), beds and other furniture, mirrors, lighting, and accessories. There are ideas for the master suite, a guest room, the childrens bedroom, and special touches for adjoining areas.

About the AuthorBrad Mee is a writer who specialises in interiors and homes. His other books include Kitchens (1402708025) and Bathrooms (1402700601).
