Diane Bender : Design Portfolios: Presentation and Marketing for Interior Designers before purchasing it in order to gage whether or not it would be worth my time, and all praised Design Portfolios: Presentation and Marketing for Interior Designers:

Today's students of architecture, interior design, and landscape design need to master the art of marketing themselves via multiple print and digital formats. This third edition of Design Portfolios reflects contemporary portfolio practices and enables students to create portfolios that serve as both evolving collections of creative solutions to design problems and evidence of their abilities to visually relay messages. Readers will learn how to create not just a collection of design work but a unique marketing tool for a successful design career.

About the Author Diane M. Bender, PhD, ASID, IDEC, is an Associate Professor and Program Coordinator in the Interior Design Department at Arizona State University, USA.
