John Littler, Randall Thomas : Design with Energy: The Conservation and Use of Energy in Buildings (Cambridge Urban and Architectural Studies) before purchasing it in order to gage whether or not it would be worth my time, and all praised Design with Energy: The Conservation and Use of Energy in Buildings (Cambridge Urban and Architectural Studies):

Originating from their work at Cambridge University on the design of energy efficient homes in Northern Europe, the authors consider the site constructions, building designs, available renewable energy sources, and servicing systems in different types of low energy houses.
