There was not a single photo or illustration to be seen, and I feel ripped off that I purchased this.1 of 1 people found the following review helpful. For Those With LogicBy diomedmishkinThis book has only been given mediocre ratings because the author speaks as herself, assuming that you understand colors and light. And that you have an imagination. Its much like a cookbook, but cooking requires sight, smell, and taste. Design requires sight and feeling. Not a mediocre book.0 of 0 people found the following review helpful. some great ideasBy LovesToReadBooksThough I'd already implemented many of the ideas in this book by reading the SIMPLIFY YOUR LIFE series, there was still some good advice about floor coverings, beating up wood furniture so it looks old, and paint effects that were intriguing. Can't afford to do some of

the antique ideas. Interesting for any size living space.

Everyone should have a dream home. It's fantasy homes we object to. Design your dream home won't help you to replicate Caesar's garage or Marie Antoinette's en suite pantry. What it will do is give you over 50 wonderful ideas to make your home unique, beautiful,relaxing and a true reflection of your personality. Whether you live in a city duplex or a stately home Design your dream home has inspirational and practical ideas to help you achieve your perfect living space.
