From Page One Publishing Private : Designer Restaurants before purchasing it in order to gauge whether or not it would be worth my time, and all praised Designer Restaurants:

It shows the newest and most important work of restaurants worldwide. This book aims to give the public access to the current state of modern, creative design. Architects and interior designers from Germany, Austria, the Netherlands, Switzerland, Belgium, Japan, England and Australia are collected in this book. This book aims to show how high quality and creative architecture to the public based on deep conceptual aspects such as analogies to the respective place, function, shapes and material. Readers will find great inspiration in the collected works.
