Editors of Fine Woodworking : Designing Furniture: The New Best of Fine Woodworking before purchasing it in order to gauge whether or not it would be worth my time, and all praised Designing Furniture: The New Best of Fine Woodworking:

0 of 0 people found the following review helpful. Five Stars By Ernesto Infante Great Buy... Will order this item again. 0 of 0 people found the following review helpful. Five Stars By Tom Swafford excellent guide for designing projects 10 of 10 people found the following review helpful. Designing Furniture (New Best of Fine Woodworking) By Randy Fratzke The book is fine but I bought it as a package deal with its companion book (Practical Design Solutions and Strategies) and many of the areas are identical - right down to the photographs of furniture pieces used. The information is good and is useful - clear and concise.

"Designing Furniture covers every step in the design process from inspiration to construction strategy, including learning from established styles, creating plans for unique furniture, and choosing among construction options. the practical, process-oriented approach makes the subject accessible to woodworkers with no formal design training.

About the AuthorFine Woodworking has been publishing the best woodworking information for small shop woodworkers since 1975.
