Drew Plunkett, Olga Reid : Detail in Contemporary Hotel Design before purchasing it in order to gauge whether or not it would be worth my time, and all praised Detail in Contemporary Hotel Design:

0 of 0 people found the following review helpful. Lots of Content and Photos! By Pinoy Shipper. Lots of Content and Photos! 0 of 0 people found the following review helpful. Full of nice photographs and very little detail diagrams where interior design ... By Benny C. Not a very informative book at all. Full of nice photographs and very little detail diagrams where interior design is concerned. Disappointing.

Hotel interiors need to satisfy the imaginations of their customers and whet the appetite for a return visit or recommendation, and the design that gets the formula right will do as much to prolong the life of the business as the service delivered within the hotel. This book explores in detail 48 of the best recent hotel interior design schemes, featuring projects by leading architects from around the world. The book is divided into three sections embracing newly built and refurbished hotels as well as conversions. Each project includes photographs as well as detailed drawings and plans, where appropriate, as well as informative text describing the design concept and process. A bonus

CD contains drawings featured in the book, in both eps and dwg (generic CAD) formats.

About the Author Drew Plunkett was Head of the Department of Interior Design at the Glasgow School of Art and has practiced as an interior designer based in London and Glasgow. He is the author of several books, including *Drawing for Interior Design*, *Construction and Detailing for Interior Design*, and *Detail in Contemporary Retail Design*. Olga Reid has practiced interior design in London, USA, and Russia specialising in exhibitions and public art projects. She also teaches interior architecture at London Metropolitan University.
