**Images Publishing : Details in Architecture (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Details in Architecture (Volume 1):

1 of 1 people found the following review helpful. A MUST HAVE!!!!By Abdul K. ItaniA professional and leading edge architectural book i recommend students,engineers and architects who are intrested in knowing the newest techniques in architectral detailing and finishing from the work of top architects in the world to have this product.....

Details in Architecture contains drawings an d concept sketches (as available) alongside a photograph of the finished

detail. A succinct summary of the detail is also included. '
