American Contractors Exam Services : DEWALT Plumbing Licensing Exam Guide (DEWALT Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised DEWALT Plumbing Licensing Exam Guide (DEWALT Series):

0 of 0 people found the following review helpful. Four StarsBy Joel WardThis is a nice comprehensive book. I'm using it to study for my plumbing inspector certification.0 of 0 people found the following review helpful. IPC examBy john b.Good informative book. I passed the test with this information.4 of 4 people found the following review helpful. Best study bookBy Paul H. MaushardtGreat book has one or two wrong ans. but I like how you can go to code ref. and it shows you the ans. The CD is great I wish all books would have the CD system it is great I hope DeWalt keeps the CD for new books.

When you need to pass an apprentice, journeyman, contractor, or master licensing plumbing exam, the DEWALT

Plumbing Licensing Exam Guide (Third Edition) is a great resource. This latest edition uses the same powerful formula that made previous editions so successful - an interactive CD that simulates actual exams and comprehensive content that contains over 500 practice questions. It also includes test-taking strategies, exam rules, as well as answer keys so you can get immediate feedback as you test your knowledge of the guide's key topics. Now updated to reflect the 2009 International Plumbing Code, you can expect a more current, more effective exam preparation than ever before.

About the Author American Contractors Exam Services has successfully prepared candidates for state required licensing exams since 1991. A team of full time instructors comprises field experience, training expertise, and formal education to formulate an effective and dynamic approach to concisely present pertinent test information in a seminar format. The seminars are conducted throughout the United States utilizing multi-media and interactive technology.
