**Paul Rosenberg, American Contractors Educational Services : DEWALT Plumbing Professional Reference (DEWALT Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised DEWALT Plumbing Professional Reference (DEWALT Series):

0 of 0 people found the following review helpful. Five Stars By Scott Love these books. Very informative  
0 of 0 people found the following review helpful. Five Stars By Randy Overall good book  
0 of 0 people found the following review helpful. Great for new residential plumbing. By Customer Perfect for plumbers. I've been a Plumber for 3 years and this is very helpful.

The DEWALT Plumbing Professional Reference is an essential resource for anyone working with plumbing systems. It covers everything users need to calculate water demand, find installation requirements, size pipes, size pumps, design drainage systems, and much more. Helpful troubleshooting guides, charts, tables, and graphs assist visually oriented users in getting the job done right the first time. Coverage includes: pipes fittings valves design data drainage systems pipefitting pumps excavation general construction safety conversion factors symbols

"Jobs today don't have room for mistakes. That is why I outfit all of my crews with DEWALT reference books. They give the real-world answers needed to work fast and smart - without all of the fluff." - (Name of Company Withheld), General Contractor, Philadelphia PA recently shared with us the importance of good jobsite reference. About the Author Paul Rosenberg has an extensive background in the construction, data, electrical, and fiber-optic trades. He is a leading voice in the electrical industry, with years of experience spanning roles from apprentice to project manager. Paul has written for leading electrical and low-voltage industry magazines and has authored more than 60 books. In addition, he wrote the first standard for the installation of optical cables in buildings (ANSI-NEIS-301) and was awarded a patent for a power transmission module. Paul works as a consultant and expert witness in legal cases, as well as speaking occasionally at industry events. American Contractors Educational Services has successfully prepared candidates for state required licensing exams since 1991. A team of full time instructors comprises field experience, training expertise and formal education to formulate an effective and dynamic approach to concisely present pertinent test information in a seminar format.
