Charles Boyce : Dictionary of Furniture: Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Dictionary of Furniture: Second Edition:

0 of 0 people found the following review helpful. A MUST HAVE!!!By Kimberly LyonsAs an interior designer, this book is a must. Even though my knowledge bank (brain) is full, this is a definite must!0 of 0 people found the following review helpful. An Exellent Reference BookBy CHARLESThis is a classic reference book for styles, historical periods, and maker/designers of furniture.The book dose not cover every style in great depth and the illustrations are very basic,but it give excellent over views, and is a good place to start. I have owned the first addition for over 25 years now ,and still refer to it often in my work.0 of 0 people found the following review helpful. Five StarsBy wood chippieGreat book

In a comprehensive listing of entries from "Aalto, Hugo Alvar Henrik" to "Zui Weng Yi," Boyce illuminates readers about furniture styles, construction details, terminology, furniture designers, and design movements throughout history and throughout the world. Styles covered include European-inspired classical, baroque, pop, rococo, and modernist. This extensive guide will be helpful for furniture enthusiasts, historians, and those interested in redecorating their homes.

About the Author Charles Boyce is a writer, editor, and long-time student of art history with a special interest in the decorative arts. He is a graduate of Dartmouth College and currently lives in New York. Joseph T. Butler was the American editor of *The Connoisseur* and an adjunct professor of architecture at Columbia University. His previous books include *Field Guide to American Antique Furniture*, *American Furniture*, and *Van Cortlandt Manor*.
