before purchasing it in order to gauge whether or not it would be worth my time, and all praised DIY Household Hacks: 40+ Proven Household Hacks To Increase Productivity And Save Time, Effort And Money: (DIY Household Hacks - DIY Cleaning and ... Cleaning And Organizing - DIY - Self Help):

0 of 0 people found the following review helpful. 21 cleaning tips and 22 organizational tips
By Ali Julia
The book contains 21 cleaning tips and 22 organizational tips. Many of the cleaning tips are using baking soda and vinegar. Many of tips are well known but a few were useful and unique that I have not read before. Most of the organizational tips are pretty basic but a couple were useful. The one I liked most is the suggestion to cut out index pages out of magazines into a separate folder so when you need to find a magazine you can go through this folder not all the magazines. I have a lot craft magazines that I am constantly searching through and this tip is going to save me quite a bit of time.

7 of 7 people found the following review helpful. Fantastic Little Guide
By Iovin it
I LOVE this little book. It was full of little useful tips and techniques. Who would have ever thought of putting a layer of oil on top of grease to dislodge it! There are many other little gems of wisdom. A fantastic little home helper. Would happily recommend to anyone who runs a household.

By j atkins
Great little book ,used the tip for cleaning Microfibre fabric on my 15 yr sofa. and the results , Amazing..... just a spray bottle your rubbing alcohol and plenty of clean white cloths My sofa fabric is chenille. .it already worked on my microfibre chairs so I thought give it a try on the sofa .Truly it worked like magic. Will certainly try other hints.

DIY Household Hacks
Includes 40+ Smart Household Hacks To Tidy, Declutter And Organize Your Home In Less Time
