**Alice Holden : Do Grow: Start with 10 simple vegetables. (Do Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Do Grow: Start with 10 simple vegetables. (Do Books):

Ever wanted to grow your own but dont have the time, the space, or even know where to start? Alice Holden, one of the UK's most pioneering female growers, has spent her life outdoors working on small and large scales from kitchen gardens to commercial farms. In this, her first book, shell help optimise the space and time available to you even if its

a window box and 10 minutes a week. Find out: The basic tools you need to get started How to make a raised bed and why you need one A recipe for compost How to increase your chances of success. With colour photographs throughout and delicious recipes from celebrity chef Hugh Fearnley-Whittingstall and others that Alice has worked with over the years, Do Grow will inspire you to change your view - and plant an edible garden.

'Do Grow looks great and is really practical.' Monty Don, presenter BBC Gardeners' World
