1 of 1 people found the following review helpful. But the best part and what i can't wait to try By LibbyFIZZY
TOILET BOMBS! Every page has an organic green recipe. Didn't think i used that many toxins anyway but this book

showed me several things i hadn't thought of. But the best part and what i can't wait to try....fizzy toilet bombs....fun for the whole family, my kids may actually clean the bathroom now!1 of 1 people found the following review helpful. True green cleanBy JohnathanI've read a few of these DYI books for green clean but this book takes the time to educate you on what your doing and provides recipes and how/when to use them. It also goes beyond cleaning and helps with laundry and the outdoors. Easy to follow. Easy to do it yourself.0 of 0 people found the following review helpful. Great tipsBy CustomerThe recipes are simple and the books has great outlines on the benefits of going green. It's worth reading for yourself.

Want to use and create all natural cleaning products that save money--and the planet!?! Forget about chemical cleaners and pricey "green" products--all you need are a few simple, common ingredients to make your whole house sparkle! Do it Yourself: Make Safe, All Natural, Green Cleaning Solutions for your Home will arm you with the information to accomplish your cleaning goals in a safe, harm free way. From dishwasher detergent to antibacterial wipes, all natural cleaning expert Jackie Green will guide you to creating a clean, safe home. Complete with simple instructions for packaging and storing your homemade cleaners, you'll enjoy turning each room into a beautiful and toxic-free space with fresh-scented, non-harmful products. Over the counter cleaners are expensive and potentially dangerous to the health of your family! By using green, natural solutions you'll save hundreds of dollars every month--and have a clean, healthy home that you and your family can feel good about!
