Angelic power tools are interdimensional windows that flood your psychic centers with angelic energy. They are treasured by lightworkers around the world. Find out why. It takes only a short time to assemble your power tools using the patterns in this book and a few inexpensive supplies found in any stained glass shop. When you are finished you will have ten authentic, versatile angelic instruments for healing, channeling, and self-transformation. You get ten superb power tools channeled from the Rose Angels: The Inner Eye Disk is for channeling, decision-making, meditation, dreaming, and visions. Everyone should have this disk. The Rainbow Disk energizes both the physical and astral bodies and brings floods of high-frequency energy into a healer's hands. The Light Weaver Disk quickly and easily patches auric holes that leak life force. The Grounding Disk keeps you from getting hazy during psychic work as it anchors astral information down into the physical plane. The Magnet Disk pulls implants and negativity out of the aura and destroys them. An invaluable aid for professional healers. The Pink Rose Disk soothes trauma related to unfulfilled or unhappy relationships and opens the heart to receive divine love. The Red Poppy Disk releases present and past-life sexual trauma and energizes the kundalini life force. The merciful disk. The Exterminator Disk keeps your home or healing room clear of the invasive negative thought forms that saturate our planet. The Archangel Michael Disk provides a channeling window for Michael, whose energy flows through the disk in huge quantities. The Isis Disk is an initiation power tool that jogs past life memories of Egypt and awakens members of the ancient Priesthoods of Light.
