GloryGood book to read for background and styles. Not really a book that will take you step by step, but good
information and reference about the inside of the dollhouse. Pictures are B/W so you really don't get the feel of the
rooms that you would with color.0 of 0 people found the following review helpful. Four StarsBy Margiegood

have book for anyone doing a dollhouse. Full of ideas. Colorful photos. Very well presented. I bought it before I
started redoing a large dollhouse and it was very helpful to me.

Presenting twelve period themes including Shaker style, French impressionist, art deco, and Santa Fe, a guide for
hobbyists offers decorating techniques including those of wallpapering, carpet-making, and antiquing furniture.
