Ellen Christiansen Kraft : Doodle Design Draw DREAM ROOMS (Dover Doodle Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Doodle Design Draw DREAM ROOMS (Dover Doodle Books):

2 of 2 people found the following review helpful. Perfect for the interior designer in your house. By CustomerMy daughter has LOVED designing her rooms with this book. Has plenty of space for imagination with some guidance and ideas as well. Nice, large size pages for children. 0 of 0 people found the following review helpful. Good value! By AlenyaJust what I needed to start drawing room and house plans! This is a very basic book though, so if you are looking for something more advanced, you won't find it here. 2 of 2 people found the following review helpful. Four Stars By kitfun for the kids of both sexes

Budding young decorators can practice their craft with this new doodle book and its trendy room-design ideas. More than 60 drawings range from sparsely furnished or completely bare rooms to fully decorated spaces that offer lots of inspiration. Sample swatches on the inside covers provide ideas for experimenting with color palettes and patterns.
