all!By D. L. DickersonDream Backyard is what this book is about. With this book, you can create a wonderful backyard. It is out of print, but worth finding used. The projects have the detail and photographs making them easy to understand. They have added details that make the finished project stand out as not being just basic.3 of 3 people found the following review helpful. Dream BackyardsBy ggb1942Just what I needed. Whatever you plan to include in your back yard, this book has it--water gardens, decks, etc. It includes beautiful photographs and clear instructions.
