**U.S. Department of Homeland Security, Federal Emergency Management Agency : Earthquake Safety Guide for Homeowners** before purchasing it in order to gage whether or not it would be worth my time, and all praised Earthquake Safety Guide for Homeowners:

There are no guarantees of safety during earthquakes, but properly constructed and strengthened homes are far less likely to collapse or be damaged during earthquakes. FEMA advises you to act on the suggestions outlined in this booklet and make yourself, your family, and your home safer.
