Mary Withall : Easdale, Belnahua, Luing and Seil: The Islands That Roofed the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Easdale, Belnahua, Luing and Seil: The

Islands That Roofed the World:

This text contains a comprehensive history of the slate industry in the west of Scotland, complete with a detailed and vivid account of the communities on the Atlantic bound islands of Easdale, Seil, Luing and Belnahua. The author is the Easdale Island Folk Museum archivist.
