Joseph Provey Mr., Home Improvement, Storage, How-To : Easy Closets: Affordable Storage Solutions for Everyone (Home Improvement) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Closets: Affordable Storage Solutions for Everyone (Home Improvement):

0 of 0 people found the following review helpful. You have to Get This Book By Doberman Lover Great Book thrilled with my closet makeovers 0 of 0 people found the following review helpful. Four Stars By Evelyn F. Not enough detail 0 of 0 people found the following review helpful. Three Stars By Customer thought it would be more organization not construction which I am not able to do

Learn how to get the most storage space out of the closets other storage spaces already in your home: Easy-to-build projects to improve organization functionality of your storage space Learn how to select install closet-system

components available at stores Detailed methods to improve every type of closet storage area in your home Easy-to-follow text photos - including installation sequences Dozens of tips for closet lighting, organization, ventilation, moth prevention Organization tables to determine how much space your clothes other items really need Learn the benefits of a custom-closets system Includes a section on building a new closet where none existed

Provey (1001 Ideas for Kitchen Organization) presents a wide range of ideas for organizing storage spaces in every room of the home, including children's rooms, bathrooms, kitchens, and garages, and provides advice for a variety of storage needs and how to safely store linens and clothing. Instructions are given for a dozen projects, from easy-to-install direct-mount shelving systems to those requiring more construction skills, such as creating a closet from scratch. An international list of products and organizations is provided. With the variety of closet systems and storage ideas, this well-illustrated volume will be useful to many. --Library JournalFrom the Back Cover
