Pamela Crawford : Easy Container Gardens (Pamela Crawford's Container Gardening, Vol.2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Container Gardens (Pamela Crawford's Container Gardening, Vol.2):

1 of 1 people found the following review helpful. Easy enough for even me!!!By Carolyn DoddsWhat a great book!!! Not only are there lots of ideas for simple containers that look great, but the best part of this book is the way the author RATES the plants, ie, "blue ribbon", "red ribbon" and also gives temperature ranges for them. I plan to carry this book with me whenever I purchase plants for my containers. Not only is is well organized presented and very practical, it is easy reading with beautiful pictures! Washington state resident.0 of 0 people found the following review helpful. Five

StarsBy Windwood5902Looks like a summer of reading and planting.0 of 0 people found the following review helpful. Thumbs upBy CustomerSo many ideas ..where do i start :)

Pamela Crawford has created a complete guide to simple container gardening designed for anyone who has ever killed a plant. It includes illustrated instructions to create gorgeous, fool-proof container gardens that even you can't kill! This book introduces blue ribbon plant combos that you plant in the spring and just add water for the entire growing season. That's right: no trimming, no fertilizing, and no spraying for up to seven months! Learn the 48 easiest plants and how to arrange them into 70 fabulous container recipes. This book covers flowers and ornamentals in containers. If you are interested in easy vegetables in containers, check out Pamela's 'Easy Container Combos: Vegetables Flowers.' For herbs, see 'Easy Container Combos: Herbs Flowers.'

About the AuthorPamela Crawford, author of ten gardening books, is one of the best known container garden experts in the country. In addition to writing three of her six books on the subject, her work has been featured on the cover of Better Homes and Gardens publications as well as in Southern Living, HGTV Magazine, and over fifty newspapers. As an expert in her field, she has appeared on the Fine Living Network, Fox News affiliates and numerous local TV shows. Pamela Crawford has a masters degree in landscape architecture and has designed over 1500 gardens
