**Mary Twitchell : Easy-to-Build Adirondack Furniture: Storey's Country Wisdom Bulletin A-216 (Storey Country Wisdom Bulletin)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy-to-Build Adirondack Furniture: Storey's Country Wisdom Bulletin A-216 (Storey Country Wisdom Bulletin):

0 of 0 people found the following review helpful. Great instructions.By AnonymousGot this for my husband. He just commented how much he likes it and can't wait to start building chairs.0 of 0 people found the following review helpful. Five StarsBy NickswoodcraftGreat easy to follow plans made 2 chairs 1 bench and a foot rest0 of 0 people found the following review helpful. Don't waste your moneyBy J. GollnerDon't waste your money on this book. This book is as clear as mud. I have over a day trying to build a chair and am going to ignore the book and try to make something out of the pieces I already cut. If you are looking for a clear plan with easy to follow dimensions go somewhere else. I have been woodworking for thirty years and have never seen supposed plans this bad.

Building Adirondack furniture is a time-honored craft. Sturdy and rustic, this furniture can be a beautiful addition to any indoor decor, although it's most often used to set the scene outdoors. There, the furniture is subjected to a lifetime of abuse. Yearly it moves from somewhere hidden away (probably dark and musty winter storage) to front-and-center on the summer stage. Now, hour after hour it is beaten on by intense UV light, drenched in driving rains, then fried again in the summer sun. Through it all, the furniture patiently endures--ever handsome, ever inviting, ever lasting. To survive summertime abuse and the semiannual ritual of being dragged into and out of storage, outdoor furniture must be sturdy, rugged, and well built--all qualities that epitomize Adirondack pieces. This bulletin contains instructions for building an Adirondack chair, matching footstool, companion side table, and Westport chair (an ancestor of the modern-day slatted Adirondack chair). Each project will take the moderately skilled carpenter less than a day to fabricate; for the beginner, maybe a weekend.Learn how to choose the right lumber and hardware, complete with instructions for table, footstool, and the Westport chair.

From the Back CoverSince the 1973 publication of Storey's first Country Wisdom Bulletin, our commitment to preserving the arts, crafts, and skills of country life has never wavered. We now have more than 200 titles in this series of 32-page publications, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.Storey's Country Wisdom Bulletins contain practical, hands-on instructions designed to help you master dozens of country living skills quickly and easily. From traditional skills to the newest techniques, Storey's Country Wisdom Bulletin Library provides a foundation of earth-friendly information for the way you want to live today.
