Images Publishing Group : Educational Spaces, Vol. 2: A Pictorial Review (Volume II) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Educational Spaces, Vol. 2: A Pictorial Review (Volume II):

In all probability the planning of educational institutions is the most socially responsive design that an architect can pursue and doubtless the most difficult to perform well. The primary purpose of all featured buildings is education and this ranges from tertiary institutions, colleges, Biographies fo participating firms are provided.
