Charles Saumarez Smith : Eighteenth-Century Decoration: Design and the Domestic Interior in England

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Eighteenth-Century Decoration: Design and the Domestic Interior in England:

1 of 1 people found the following review helpful. Excellent costume resource, as well
By felicita
This is an elegant large volume, full of paintings of 18th-century interiors and the families who occupied them. The result is an almost year-by-year record of the clothing, furnishings, and daily routine of the British in that era. Includes sketches from the booths at (now vanished) Vauxhall Gardens, Highmore's illustrations for "Pamela", and several detailed tea table settings. Rich resource for clothing information, as well.
0 of 1 people found the following review helpful. Excellent Research
By Lisa L Holland
Gorgeous, lavish book full of gorgeous photos and helpful information. Incredibly thorough. Wonderful resource for period set and costume design research.
