My landscape looks great and my plant are thriving. This is a small book that you can fit in your purse and carry to the nursery. Worth every cent!0 of 0 people found the following review helpful. A good guide to take to your garden center.By GaryA short compilation of photos

and descriptions from Druse's "The Natural Shade Garden." The latter is a five star + book. This is a good book to take to the garden center when you shop. 0 of 0 people found the following review helpful. 80 Great Natural Shade Garden Plants By Linda R. Bevins Not so good. Just a list of plants for the shade. Expected more about shade gardening. Also, a very small book in size.
