**Michael Boodro, Ingrid Abramovitch : Elle Decor: The Height of Style: Inspiring Ideas from the World's Chicest Rooms** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elle Decor: The Height of Style: Inspiring Ideas from the World's Chicest Rooms:

I think the mix of homes here leans toward too masculine and also too esoteric. I am all for seeing visually inspiring rooms that may push past my own tastes, but So Chic did a better job of showing rooms that showed real inspiration and character but balanced with more approachable rooms, too. This book fell a little flat to me. And this is coming from someone who really loves Elle Decor magazine and the taste-level that the current and former editors both maintain(ed). 9 of 9 people found the following review helpful. Disappointment By J. Zenz If you read the magazine every month you have already seen all these pictures. I sent the book back. When I

spend that kind of money I would like to see some new pictures and read something interesting. 3 of 3 people found the following review helpful. not as good as the first one from elle decor By sheila adams not as good as the first one from elle decor, but very professional...i just enjoy seeing real people houses as opposed to decorator rooms, though.

This book showcases more than 220 stunning rooms selected by the editors of ELLE DECOR, the magazine that is the last word on exciting, cutting-edge, and eclectic style from around the world. A must for any decorating and design buff, it shows readers how to bring the flair, glamour, and individuality of the world's chicest spaces into their own homes. The rooms, which range from extravagant living spaces to sleek, state-of-the-art kitchens, baths, and dressing rooms, are organized into distinctive yet reader-friendly categories: Classical, Fanciful, Functional, and Personal. What the Pros Know, which occurs throughout the pages, presents insights, ideas, and practical advice from top interior designers, architects, and homeowners. Every chapter also incorporates Anatomy of a Room in which the magazine's editors explain how to make the inspiring ideas a reality. Packed with beautiful color images by today's top interiors photographers, straightforward tips, and ingenious pointers from top design talents Steven Gambrel, Kelly Wearstler, and a host of others, *The Height of Style* brings the magazine's distinctive, of-the-moment mix of culture, design, and fashion right into your living room.

About the Author Michael Boodro is the editor in chief of ELLE DECOR, and the book is written with the editorial team at the magazine. Ingrid Abramovitch is the senior editor/writer at ELLE DECOR and the author of *Restoring a House in the City*.
