Jason Charles, The American Preppers Network : Emergency Bag Essentials (Swatchbook): Everything You Need to Bug Out before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emergency Bag Essentials (Swatchbook): Everything You Need to Bug Out:

6 of 6 people found the following review helpful. I consider it a waste of money By Teresa M. DeFord I was hoping for a bit more than just a "shopping list". I was hoping I was purchasing a pocket "how-to". Something I could carry with me when I have to bug out. I consider it a waste of money. 5 of 5 people found the following review helpful. Great info. I gave 4 stars due to binding By Ingalls Drew Great info. I gave 4 stars due to binding. It's too time consuming and irritating when trying to read front to back. Spiral bound may have been a better choice for ease of accessing the info. Otherwise I believe the actual info is great. I like the use of pictures and how it's written. 1 of 1 people found the following review helpful. This is a very good book to have By David This is a very good book to have. It has a lot of useful information in it and the book is like a flash card format with each gear separated into a color coded index. Easy to find each item.

For anyone who wants to be prepared for an emergency evacuation, this primer provides guidelines for assembling a

bug-out bag with supplies to cover your essential needs (food, water, shelter, first aid, and communication) for approximately one week. Presented in the accessible swatchbook format (sturdy laminated flashcards that fan out like a Swiss Army knife), Emergency Bag Essentials is the ideal entry point for anyone who wants to be better equipped for emergencies, but who doesn't want to be overwhelmed with elaborate preparations. Written by a professional firefighter and community organizer for the New York City Preppers Network, this swatchbook outlines the contents of a quality getaway bag in the clearest way possible. One item is featured on each card, with details about why you should have it, how to use it, and recommended brands.

About the Author JASON CHARLES is a professional firefighter and community organizer for the New York City Preppers Network. As a trained first-responder, he specializes in teaching preparedness from an urban perspective.
