**Desert Publications : Emergency War Surgery** before purchasing it in order to gage whether or not it would be worth my time, and all praised Emergency War Surgery:

0 of 0 people found the following review helpful. Husband loves this bookBy kitkat425I ordered this for my husband. He is thoroughly enjoying it. He actually has it put in are bug out bag as it has how to do some medical procedures in it.0 of 0 people found the following review helpful. Everyone needs this for a backup!By FlyrodVery happy with the book-the way I look at it, if you buy read a book and learn just one thing out of it,that would help you-you got your

money' worth out of it, very easy to read and understand it.0 of 0 people found the following review helpful. Five StarsBy Branden M. Butlergood book and it was shipped fast

This book is a completely revised and updated version of the original Emergency War Surgery N.A.T.O. Handbook and reflects the major advances in medical technology and treatment methods that have been achieved since that time. Chapters include: General Considerations of Forward Surgery, Burn Injury, Cold Injury, Blast Injury, Chemical Injury, Mass Casualties in Thermonuclear Warfare, Multiple Injuries, Shock and Resuscitation, Amputations, Wounds and more.
