**From Auerbach Publications : Encyclopedia of U.S. Intelligence - Two Volume Set (Print Version)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Encyclopedia of U.S. Intelligence - Two Volume Set (Print Version):

The Encyclopedia of U.S. Intelligence is the first definitive work to chronicle the history, profile prominent figures, examine world-renowned agencies, and mark key events that have shaped the present U.S. intelligence landscape. With contributions from scholars, researchers, academics, and practicing professionals, it explores issues that reflect the public interest about American intelligence at every level from the public to the private sector. The encyclopedia covers topics related to the field of U.S. intelligence practices, agencies, and history, presented in a holistic manner

that reflects both academic and applied perspectives. Going beyond a basic overview of the intelligence community and its functions, the entries offer authoritative insight on historical issues and events, significant personalities, legislation, education and training, and current information about terrorism and counterterrorism. Entries detail not only the practice and profession of intelligence within the federal government, but also criminal intelligence and analysis and the organization and activities of foreign intelligence services. They reflect the interdisciplinary nature of intelligence analysis and the variety of government agencies that make up the intelligence community. This two-volume set is a must-have reference for government agencies, research and university libraries, and individuals interested in the development and practice of intelligence in the United States. Also Available Online This Taylor Francis encyclopedia is also available through online subscription, offering a variety of extra benefits for researchers, students, and librarians, including: Citation tracking and alerts Active reference linking Saved searches and marked lists HTML and PDF format options Contact Taylor and Francis for more information or to inquire about subscription options and print/online combination packages.
