From Brand: Brooklyn Botanic Garden : Essential Tools: Equipment and Supplies for Home Gardeners before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Tools: Equipment and Supplies for Home Gardeners:

It's fun to amass the equipment for any new undertaking--and gardening's no different. Faced with so many tempting

tools in stores and catalogs, it's easy to fall under a spell and think you need it all. This no-nonsense, wittily written guide to everything from classic bamboo rakes to high-tech, high-carbon steel shovels will steer you in the right direction and save you loads of time, money, and space. You'll find out what you absolutely must have, depending on the climate you live in, your size and strength, and your gardening goals. Recognize the signs of quality in handles, metals, and construction. All the necessities to dig, prune, feed, water, decorate the garden, and more receive detailed coverage by a team of top gardeners. Plus experts pick their six can't-live-without tools!
