Josephine Ryan : Essentially Irish before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentially Irish:

0 of 0 people found the following review helpful. Nice variety of photosBy JEThis high quality book is easy to read and full of a nice variety of photos (large spaces, small spaces, old homes, new homes, repurposed barns, etc.). The text provides an interesting and informative compliment to the graphics and covers everything from building materials to floor coverings to furniture. I'm very happy with this purchase and will likely buy another copy to give as a gift.4 of 4 people found the following review helpful. Nice Mix of Types of Irish HomesBy Bear OneThis book has a nice mixture of homes rainging from smaller family homes to unusal adaptations of older structures. The photographs give satisfying views of the homes and the text is informative without being overly technical. I was very pleased with the scope of the book.2 of 3 people found the following review helpful. Irish HomesBy Joan M. MckeownBaught as a Xmas Present for an Irish friend. She loved it. Great home decorating ideas. Reminded them of home.

In Essentially Irish, antiques dealer and stylist Josephine Ryan offers a privileged glimpse into a fascinating array of

private Irish homes. The interiors featured include Georgian country houses, chic city apartments, pretty cottages and contemporary constructions. Their decorative styles may differ, but each home demonstrates the qualities that have made Irish interiors admired the world over- a rich colour palette, an affinity with the landscape, an appreciation of the patina of the antique, and a passion for the work created by a rich tradition of artists and craftsmen. The homes in this book are every bit as varied and interesting as their creative owners and the carefully chosen locations illustrate the many facets of classic Irish style. This is the perfect book for anyone seeking ideas for their own interior, or for those who simply want to dream -

About the Author Josephine Ryan is an antiques dealer and stylist. Born in England to an Irish family, she spent her childhood summers at her grandmother's house in County Limerick and when she was 12 her family moved there permanently.
