**Carson Dunlop Associates : Essentials of Home Inspection: Home Reference Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials of Home Inspection: Home Reference Book:

0 of 0 people found the following review helpful. Pretty Good Laymans BookBy Brian DarlingPretty Good - not completely accurate and missing details but it is a good read.0 of 1 people found the following review helpful. Five StarsBy Luis ZavalaGreat0 of 1 people found the following review helpful. Five StarsBy CustomerBetter than expected

This indispensable survey volume features a brief and simple overview of the major home systems and is referenced throughout each of the system-specific textbooks in the Essentials of Home Inspection series. The Home Reference Book, combined with the textbook of your choice, creates an educational module necessary for a complete education. A simple overview of the home's systems and components offers benefits to home buyers and inspectors. Margin Notes highlight key topics for easy tracking and review; sample inspection forms provide preparation for field use. Contents includes Roofing/Flashings/Chimneys; Exterior; Structure Electrical; Heating Cooling/Heat Pumps;

Insulation; Plumbing and Interior.
