**The New York Botanical Garden : Exotica: New York Botanical Garden Large and Small Journals** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Exotica: New York Botanical Garden Large and Small Journals:

The strong sales of botanical gift products attest to the audience for this pair of covetable notebooks. One features lined paper, the other dotted. Patterned with rare images of exotic flora from the NYBG's world-renowned reservoir of botanical art, printed with foil accents, tied together with twine and enclosed in a polybag; they will be irresistible for fans of elegant stationery and botanical art.

About the Author The New York Botanical Garden is an iconic living museum founded in 1891. It is a National Historic Landmark, with 250-acres supporting over one million living plants. Each year more than one million visitors

walk the grounds to enjoy the remarkable diversity of tropical, temperate, and desert flora and to attend beloved annual events such as The Holiday Train Show, and The Orchid Show.
