Best of Exotic Greenhouse Gardening Ma : Exotics Are Easy before purchasing it in order to gage whether or not it would be worth my time, and all praised Exotics Are Easy:

Exotics, such lush, tropical plants as hibiscus, bougain-villea, and palms, are enjoying a horticultural renaissance....Enticing, show-stopping photographs little seen outside of travel brochures help turn timid gardeners into exotic adventurers....As houseplants or for annual, and possibly perennial, gardening usage, exotics offer a wealth of home and garden landscape possibilities that can turn boring vistas into brilliant views.Booklist.
