A lovely book for all ages!By Three GracesChris Kinsley beautifully captures the allure of Biltmore with lovely rhymes, hidden pictures and fantastic perspective. My children loved trying to be the first to find the hidden picture on each page, and each rhyme sparked conversation about life at Biltmore. The book provides insight into the Biltmore Estate for adults as well with lots of facts and information about both the known and off-the-beaten paths at Biltmore. A lovely book which I would recommend for children and adults!0 of 0 people found the following review helpful. A book that captures the essence of Biltmore gardens.By Kathleen HarrThis beautiful book is a wonderful way to introduce children and adults to the Biltmore. The photos, which include the wildlife and garden plantings, add appealing interest on every page. When I next visit my mother on her memory care unit, I will take the book to "read" with her to stimulate her lifelong love of the outdoors. Chris Kinsley has captured the essence of the Biltmore gardens, reminding me that there is much to see and enjoy. The photos brought back memories of the day we spent at Biltmore.0 of 0 people found the following review helpful.
