Better Homes and Gardens Books : Exterior Planner (Better Homes Gardens) before purchasing it in order to gage whether or not it would be worth my time, and all praised Exterior Planner (Better Homes Gardens):

0 of 0 people found the following review helpful. Good resource.By A. O'NEILLIt has useful info ideas, especially if one is re-modeling or freshening the outside of one's house.6 of 14 people found the following review helpful. Excellent Planning GuideBy Richard A. SchwarzBetter Homes and Gardens has continued their excellent series on home improvement and home projects. This volume guides you through the myriad of alternatives which face homeowners wanting to give a genuine uplift/facelift to the exterior of their homes.

Chapters covers siding, trim, roofing, windows, and doors.Guides homeowners through a maze of choices for color, design, and materials.Homeowners can visualize changes with before-and-after photos plus house-style basics and

color suggestions. Handy reference provides tips on care and maintenance for newly revived exteriors. The only comprehensive guide of its kind available.
