**Editors of Reader's Digest : Family Handyman Trade Secrets: Fix Your Home Like a Pro!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Handyman Trade Secrets: Fix Your Home Like a Pro!:

0 of 0 people found the following review helpful. They provide so much great information and you just can't beat the priceBy DavidaDo yourself a favor especially if you are a woman: get your hands on as many do-it-yourself manuals whether it's Reader's Digest or Family Handyman books. They provide so much great information and you just can't beat the price! You can learn so much not only about how to do things yourself and save a lot of money, but you can see if the unscrupulous contractors are doing a good job when they come to your house to repair something. It's not just a book, it's an investment! I guarantee you that you can find something that can be used immediately!The book was carefully packaged and arrived as advertised.0 of 0 people found the following review helpful. Learn how the

pro's do it. By Ikerry I am always looking for self-help books like this one which helps make working around the house easier. This book helps in that way. 12 of 13 people found the following review helpful. Good book, but not for advanced DIYer. By j pogar First, let me say that I LOVE The Family Handyman and their associated magazine.....this book, and the magazine, are a high quality publication. The Trade Secrets book is nice, well organized and has good illustrations. It would be better if it had a hard cover....I use my books like this a lot and the soft cover will get ragged quickly, especially using it in the shop. I gave this book only three stars....not because of the quality of the information, but because I already knew or had most of the info presented. This book is really a compilation of the best articles and tips from the magazine. However, as a subscriber to the magazine, I already had most of the "good tips" highlighted in my magazines....they were exactly the same in the book. So, if you are not a subscriber or are a first time DIYer, then I recommend this book 110%. If you are already a subscriber to the magazine, or have advanced skills, you probably won't learn anything new. Good book, just not a good fit for me.

Trade Secrets teaches quickly, safely and effectively how to complete those projects we often put off because we don't know quite how to do them or because we don't have the time to do them. We all have household projects that we keep putting off because we don't quite know how to go about doing them or we simply don't have the time. Now, Trade Secrets can help you shorten your to-do list by teaching you how to complete those projects quickly, safely and effectively. This book will walk you through big projects and also provide tips and tricks that will make the jobs simpler. The tips and techniques include: Putting together a kit of essential tools Tips on basic wall repair Understand how to choose and install proper blinds How to repair holes in plaster How to hang a heavy picture Tips for sanding a large area How to build a home theater system The basics of upholstery Common exterior paint problems and solutions How to sharpen a mower blade Fixing a sluggish garage door Understand how to choose and install proper blinds Next time you have a project to do around the house, just check Trade Secrets for the proper procedure to follow, tools to use and tricks to speed and improve your work. You'll be done in no time and your house will look better than ever.

About the Author The Family Handyman is the #1 DIY home improvement magazine and the trusted how-to guide for nearly 5 million passionate amateur and pro consumers. Packed with projects, expert tips, new products and more, every issue celebrates the challenge, accomplishment and pride of a project well-done (or, sometimes, just done!) and gives consumers the inspiration and solutions they need to create the home of their dreams.
