Renea Winchester : Farming, Friends Fried Bologna Sandwiches before purchasing it in order to gage whether or not it would be worth my time, and all praised Farming, Friends Fried Bologna Sandwiches:

1 of 1 people found the following review helpful. Beautifully written truth will bring reminiscing of your own, and some learning!By Lane Hill HouseThick book!"Nothing wrong with a little squirrel for dinner. You know they've gotta be healthy. They've been eating my corn all summer."A recipe of Chicken and Dumplings follows, or substitute. I remember as a young bride boiling a "tuff" couple squirrels my hunter groom brought home. I was going for the story adventures and get all of the down-home recipes too! I will enjoy Renea's writings!1 of 1 people found the

following review helpful. Memories and RecipesBy CustomerIf the stories along side Billy don't appease you, the recipes that are shared surely will. As a small town Southern girl who grew up and moved to the city, Renea and Billy together bring back so many memories of a simpler life and a world I want to dive back in to. In love with Renea ' s books! Someday, I am going to have to find Renea and Billy in real life so that I can thank them in person.1 of 1 people found the following review helpful. Hold the Mayo!By Edwin AmmonsNormally I don't read books like this but the author is a friend so I decided to force myself. After a few pages the job became effortless. I really enjoyed the book and will read again. Maybe again and again. I did have a problem though when they put mayo (albeit it Dukes) on a fried bologna sandwich.

Tucked behind a magnolia tree on a busy Georgia road is a magical place--a simple country farm, unchanged by time. On this little strip of land, chickens scratch greetings and goats bleat hello. Sweet yellow corn grows tall, and curly bean vines reach for the sky. A burly tractor and a fifty-year-old Chevy wait inside the shed, ready for action.For some folks, farms trigger childhood memories, such as Sunday supper at their grandparent's table, or recollections of past generations smiling from picture frames gathering dust on the mantle. For 82-year-old Billy Albertson, his farm reflects a time before folks were hurried, or technology ruled our lives. Families grew gardens and feasted on fresh vegetables, adults spent time on front porches comparing stories, and children scampered barefoot through the grass waiting their turn at the hand-cranked ice cream freezer.Spending time with friends on the farm is Billy's life. Here you don't have to be a gardener or blood kin to be family. Inside the pages of Farming, Friends, Fried Bologna Sandwiches is a story about Billy and his magical farm.

About the AuthorRenea Winchester is the award-winning author of In the Garden with Billy. She is the recipient of the Appalachian Writer and Denny Plattner awards. Her work has aired on Georgia's WAB90.1FM. Winchester is passionate about literacy and human interest stories.
