Miss Stephanie Foster in the Cape Codder.....A must have if you love Cape Cod. We are going to check out a lot of the farms.....0 of 0 people found the following review helpful. Ready to visit these farmsBy Mrs. KGreat photos and stories of so many different farms on Cape Cod. Gave this book as gifts and all loved it. One immediately read it from cover to cover.0 of 0 people found the following review helpful. Local marketsBy Helen O'DonoghueAlways loved shopping the local farmer's markets on Cape Cod. Such good food including lobster, clams and crabs. It is also a beautiful book just to look at.

Farms of Cape Cod explores the diversity of farming from produce and livestock to a local vineyard, cranberry bogs, oyster flats, as well as lavender, horse and holly farms. A tips section offers advice on growing, cooking and planting from the people who know best, and contact information about each of the 28 farms is provided. The book connects us with our cultural heritage and offers a behind-the-scenes peek at a green way of life.

About the AuthorAward-winning photographer Stephanie Foster is a master gardener whose bouquets are highly sought after at farmers' markets.
