Ros Byam Shaw : Farrow Ball Living With Colour before purchasing it in order to gauge whether or not it would be worth my time, and all praised Farrow Ball Living With Colour:

2 of 2 people found the following review helpful. Fantastic paint resource! By fiveboys I ordered this book to help me select Farrow Ball paint colors. I haven't used the paint yet, but the book is a fantastic resource. There are loads of pictures with specific information about the Farrow Ball paint colors used in the room. You can see how different colors look when combined in a room on the baseboards, the walls and other accents like book shelves. I have read the book cover to cover and browsed through it several times in the past week. I know I'll be flipping through it again and again every time I redo a room in my home. 0 of 0 people found the following review helpful. Beautiful book. By Jan JB beautiful book, full of inspiration and great ideas. 0 of 0 people found the following review helpful. Five Stars By Jerry Hunsche Great book!

Iconic British brand Farrow Ball began in the 1940s as a small firm specializing in paints made in the traditional way with traditional ingredients. Despite its success, Farrow Ball has stayed true to these origins. It is the quality of the

paint, with its exceptional depth and subtlety of color, that has made the company famous worldwide. Farrow Ball paints look as good on the walls of a slick flat as they do in a period ballroom and are as perfect for a cottage as in a castle. Divided into chapters according to style, including Classical, City, Modern Country, Cottage, and Country House, the first part of the book shows Farrow Ball paints and wallpapers in a wide range of unusual and beautiful interiors. Part Two of the book is devoted to color. From the themes of All White and In Neutral to Softly, Softly, and Bright and Beautiful, each chapter explores a particular palette and shows how color can be used to create atmosphere, character, and charm. Inspiring, instructive, celebratory, this book brings out the painter and decorator in us all.
