**Anne Kyyro Quinn : Felt Furnishings: 25 Accessories for Contemporary Homes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Felt Furnishings: 25 Accessories for Contemporary Homes:

0 of 0 people found the following review helpful. NiceBy MsluxlifeGreat ideas and beautiful pics.0 of 0 people found the following review helpful. Cover pillow is cute...By HBodysseyBut it was the only thing in the book that I felt was worth making. I saw it on Pinterest and thought the book would be really fun to own. Unfortunately, I should have taken the title literally .. All the other projects on this book were way too contemporary for my taste. The other projects were very simple in design and borderline boring IMO. I will recreate the pillow in a flash; it's really attractive, but it was not worth the price of the book for one project. Seller rocks: fast service, item as described.1 of 1 people found the following review helpful. Love the ideasBy Discriminating ReaderThere aren't as any projects in this book as I would have liked and they are very similar to each other. There are some very attractive project ideas in here and I thought it was worth the price. With a little imagination you could take these projects even further.

High style with an irresistible texture in a fabric you love!The contemporary creations of Anne Kyyr Quinn are not your traditional pillows and throws. Following her sculptural approach to home decor, each piece has an appealing

tactile quality that makes it truly stand out. Quinns fabric of choice, felt, is soft, durable, and easy-to-find, making it perfect for home sewing. Best of all, felt holds its shape, making it possible to turn any home accent into a striking multidimensional accessory. Whether folded, sliced, ruched, or gathered, these bold pieces are sure to add designer style and cozy comfort to any living space. Felt Furnishings brings Quinns designs to the home crafter with 25 beautiful, easy-to-sew projects that will update the look of any room. From one-of-a-kind cushions and pillows to blinds, lampshades, wall panels, curtains, bedspreads, and more, there is something here for every home. And with 200 full-color photographs and comprehensive step-by-step directions, these designs are as easy to create as they are gorgeous to look at.

About the Author ANNE KYR QUINN established her studio in 1999 with a portfolio of six core designs. Her collection has expanded to include blinds and window screens, wall panels, table accessories, and upholstery fabrics. She is one of Britains leading manufacturers of handcrafted interior textiles, and her products and custom textile services have been distributed to design showrooms and retail outlets around the world. Anne lives in London.
