Kathleen Taylor : Felted Scarves, Hats Mittens: favorite patterns to knit and felt (Threads Selects) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Felted Scarves, Hats Mittens: favorite patterns to knit and felt (Threads Selects):

Make a pretty heart-shaped bag and matching hat, and a whole jaunty wardrobe of mittens, scarves, and hat scarf sets all in warm and lovely felted knits. Knitwear designer Kathleen Taylor makes felting accessible for all skill levels. (Felting is simply knitting a pattern very large and very loosely then washing in warm water to felt and shrink the wool into a luxurious material.) Even if they've never knitted or felted before, readers will find these patterns fun and the instructions easy to follow.

About the Author Kathleen Taylor is a research scientist in the physiology department, Oxford University. In 2003 she won first prize in both the THES/OUP Science Essay competition and the THES Humanities and Social Sciences Writing Prize.
