**Creative Homeowner : Fences Gates (Quick Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fences Gates (Quick Guide):

The Quick Guide Series is packed with step-by-step information on home repairs and improvements. Each 8 1/2" x 10 7/8", 80-page book has more than 190 two-color illustrations with easy-to-follow instructions. These weekend projects are ideal for increasing the quality and value of your home.

Light on text and heavy on illustrations with step-by-step instructions, each paperback in the Quick Guide series contains enough checklists, diagrams, safety instructions, and tips to make it a useful reference for even novice do-it-yourselfers. -- Chicago Tribune
