Find Fifth Avenue Style in Your Abode By nchavez Howard Slatkin's wonderful book of gorgeous enormosity, if that's even a word, can be broken down into small bits and pieces that provide valuable inspiration and knowledge for the home decorator. Although his style is lavish the book provides valuable insight on the "how" of decorating. It's in the details is what underlines this book. From the hand painted layout of his apartment I took the small cartouche of his pet and am planning on doing the same for my Cairn terrier, Brillo. She is my little princess. The small table set for two to have lunch overlooking Central Park said I could do the same in my living room apartment at a window where you can watch the world go by. His collection in the entryway mounted on individual stands spoke to me about how I can arrange my family heirloom collection of Catholic devotional statues. There is so much to learn from this book. You don't have to be a millionaire to appreciate the decorating genius of Howard Slatkin. Don't let the cover scare you away. There is so much to learn for everyone from professional designers to the DIYers. 2 of 2 people found the following review helpful. Beautiful and Bold Book for the Coffee Table By DC Girl First let me say that I purchased a couple of home design(er) books and this book was not

one I expected to really enjoy, in fact I was certain I would return it. I was very wrong and happy to be. I wanted a book that was coffee table beautiful with elegant, bold and rich photographs of an interior home and provide some detail on how to create the same. Howard Slatkin got it in one with this book. I highly recommend to others looking for same. 0 of 0 people found the following review helpful. Great decoration book By Jorge Lopez Miami Great book.

Howard Slatkins philosophy is that a home should be a deeply personal refuge that gives pleasure and comfort, and in this book he shows everyone how this is done. In this gorgeously illustrated volume, Slatkin, an interior designer and founder of the iconic home-fragrance and lifestyle brand Slatkin Co., opens the doors of his legendary Fifth Avenue apartment and invites readers to accompany him on an intimate tour. Along the way he shares his practical and often ingenious methods for creating unique, personal rooms, shows how to make them comfortable and functional as well as beautiful, and reveals his secrets to entertaining with ease and flair. Photographer Tria Giovans exceptional photography reveals how Howard Slatkins apartment and any home can achieve a level of sophisticated calm through careful lighting and floor planning, clever arrangement of furniture, and decorative display of personal collections of family photographs and objects. Drawing upon twenty-five years as a leading designer and tastemaker, Slatkin shows how rooms should flow naturally, how to create an intimate feeling, and how to find imaginative solutions for turning awkward spaces and limitations into assets. In Slatkins hands, a simple length of rope is transformed into a decorative molding, a claustrophobic passageway becomes home to a collection of blue-and-white porcelains, a kitchen evolves into a room fit for a St. Petersburg palace, and a living room turns into an exotic aviary of multihued birds. Using decorative finishes, tile, and salvaged architectural elements, Slatkin has created a memorable home that is the perfect backdrop for entertaining.

"Howard Slatkin ist der Stil-König von Manhattan."
