John Lewman : Fireplace Mantel Ideas, 2nd edition: Build, Design and Install Your Dream Fireplace Mantel before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fireplace Mantel Ideas, 2nd edition: Build, Design and Install Your Dream Fireplace Mantel:

Design, build and install your dream fireplace mantel with this updated edition of a popular classic. Inside you'll find two new step-by-step instructions on carving a rustic mantel with woodcarving tools and building a classic fireplace mantel using general woodworking skills and tools. In addition, the author includes an amazing selection of classic

fireplace mantel designs including English traditional, Country French, Victorian, Art Nouveau, and more.
