**Patrick Taylor : Five Hundred Best Garden Plants** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Five Hundred Best Garden Plants:

This delightful and useful book is back, after having been unavailable in the U.S. since 1995. It includes bulbs, perennials, climbers, shrubs, and trees with special garden merit. Taylor's years of gardening experience are evident in his delightful descriptions of each plant's personality and requirements. Published at \$19.95 Available Now at \$9.98

"...not only extremely informative but a great read. Anyone who loves plants will love this book!" -- Jo Anne H. Ricca, Horticulture 1995  
A valuable introduction to some of the dependable plants around which a garden can be built. -- Carol L. Noll, American Reference Books Annual, 2001  
A very handy resource. -- Dale Langford, Rocky Mountain News, January 27, 2001  
This lovely book includes a color photo of practically every type of plant it talks about  
A wealth of information. -- Marlene A. Condon, The Daily Progress, February 13, 2001
