Margaret Carney : Flint Faience Tiles a - Z (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Flint Faience Tiles a - Z (Schiffer Book for Collectors):

2 of 2 people found the following review helpful. Great book! Wonderful History Great Photos! By M. Schodowski Outstanding book! So impressed, I contacted the author because my son's school built in 1929 has Flint Faience Tiles in it. The Author wished he knew of my son's school (Stiles) aka Oakland Steiner -- when he wrote the book Both the book and the author have a wealth of information on these tiles -- Just facinating..BUY THIS BOOK An amazing piece of history Amazing photos - beautifly done

This stunning new book, arranged alphabetically by subject areas, captures the essence of the successful Flint Faience Tile Company's highly diversified production between 1921-33 in Flint, Michigan. The history of this ceramic tile company, its major designers, and the designs and styles of its products are woven throughout a tapestry of more than

825 color photos illustrating both rare and popular tiles. Showcased are Art Deco and Arts Crafts style tiles, animal and nursery rhyme designs, geometric motifs, plants and flowers, dramatic murals, and much more. Many sections feature photo documentation of these collectible tiles installed in homes, schools, churches, restaurants, swimming pools, and more. Present day values are provided in the captions. This fascinating and informative A to Z collector's book is a valuable addition to the library resources of any tile and ceramics collector or maker.

About the AuthorDr. Margaret Carney is a ceramics historian, university professor, museum curator, and researcher. Ken Galvas has been collecting American art pottery since 1975.
